

Making your flight deck ADS-B Compliant.

There are many options for making a flight deck ADS-B compliant. At this seminar Garmin will be presenting a lot of answers to questions regarding flight desk improvements.

Directions: At the Columbia River Chapter Air Meet on June 20th there will be a seminar venue set up at the big hanger at midfield.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
